

Emergency Assistance to Families with Children

What is EAFC?

Emergency Assistance to Families with Children helps families with dependent children under the age of 21 resolve crises such as:

- Eviction notices
- Foreclosures
- Gas and electric turn-off notices
- Delinquent water bills

How does it work?

To be eligible a family must agree to use some of their own income to help handle the emergency. The emergency must arise due to circumstances beyond their control; therefore, a family is not eligible if the problem is the result of an income earner's quitting a job without good reason.

How does one apply?
